You might remind him that he can join others . Perhaps you can even suggest a pairing.

Hello George,

I'm just following up with you to see if you have had an opportunity to find a date and time to set up a meeting with about 8-10 people that would be interested in the future of the Memphis Shelby Crime Commission. It can be early morning, noon, afternoon, after work, or we can make it work any other time. As you know, we have a power point presentation and information cards that summarize the Operation: Safe Community-3 Crime Plan 2017-2021 that will be available. We have confirmed dates for January and early February for some board members so just let me know when your date is set so I can coordinate it with Bill, Amy, and Ben's schedules.

Thanks George!

Linda

Hello George,

We just need you to set up a meeting of about 8-10 folks that you think will support the Memphis Shelby Crime Commission. We will make a presentation similar to the one made at the breakfast last month. We have information cards that summarize the 2017-2021 Operation: Safe Community Crime Plan that will be available to everyone attending. When you get a date, please let me know so that I can coordinate it with Bill, Amy and Ben's schedules.

Thanks so much!!

Linda

Hello everyone,

This is a reminder about hosting a breakfast, lunch, or after work meeting to support the Memphis Shelby Crime Commission. I want to thank those of you have begun organizing your event. Those of you who have not yet responded, I urge you to do so as soon as possible. We have a short time frame accompanied by busy schedules and holidays. Consider partnering with another board member in your area and have a joint meeting. We are glad to make a presentation similar to the one made at breakfast last month. We now have information cards that summarize the 2017-2021 Crime Plan of Operation: Safe Community that will serve as talking points.

Again, let me know what date(s) you will be meeting as soon as possible. Remember that I am available to help you in any way.

The new Operation: Safe Community Plan 3 will be announced to the public at a press conference scheduled for next Tuesday, November 15, 2016, at 10:00 a.m.

Thanks and I look forward to hearing from you within the next week!

Linda
